## DAS400

4 bay direct attached storage

This 4 bay DAS (Direct Attached Storage) device simply connects to your PC via its fast USB2 connection, allowing the user to simply expand their storage capacity. You can combine 4 different sized HDD's to create one big storage tank or you can access each HDD as an individual drive. Smart power off ensures the drive shuts down once your PC is off. 4 way directional venting and 80mm quiet fan ensures maximum cooling. It supports up to four SATA 3Gb/s drives (not included) which can be easily installed without the need for a screwdriver.

### HARDWARE CONNECTION DIAGRAM

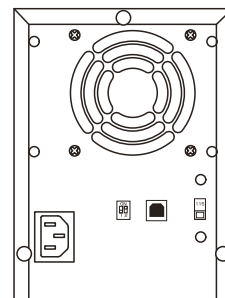

Dimensions :

GW : 3.1Kgw  
Width : 135mm  
Height : 180mm  
Depth : 255mm

#### MINIMUM SYSTEM REQUIREMENTS:
